

Subject: Call for Paper: International Journal of Chemical, Material and Environmental Research  
ISSN 2410-5945

<http://www.ijcmer.org/>

Dear Colleague,

The International Journal of Chemical, Material and Environmental Research (IJCMER) is an open access journal that publishes high-quality articles, in English, in all areas of Chemistry, Material and Environmental Sciences. IJCMER is published quarterly and is aimed at expanding knowledge in the field of Chemistry, Material and Environmental Sciences.

Call for Papers

The journal welcomes the submission of manuscripts that meet the general criteria of significance and scientific excellence, and will publish:

- Original articles in basic and applied research
- Case studies
- Critical reviews, surveys, commentaries and essays

We invite you to submit your manuscript(s) to [manuscripts@ijcmer.org](mailto:manuscripts@ijcmer.org) for publication. Our objective is to inform authors of the decision on their manuscript(s) within four weeks of submission. Following acceptance, a paper will normally be published in the next issue. Instruction for authors and other details are available on our website; <http://www.ijcmer.org/author-guidelines>.

You can view our current issue with this link: <http://www.ijcmer.org/ijcmer-articles>.

IJCMER is an Open Access Journal and **does not currently require any page, color, or article processing charges.**

Open access gives a worldwide audience larger than that of any subscription-based journal and thus increases the visibility and impact of published works. It also enhances indexing, retrieval power and eliminates the need for permissions to reproduce and distribute content. IJCMER is fully committed to the Open Access Initiative and will provide free access to all articles as soon as they are published.

Best regards,

Editor

Int. J. Chem. Mater. Environ. Res. (ISSN 2410-5945)
